Interreg NEXT Black Sea Basin

Co-funded by the European Union

BSB Dialogue Innovation Platform

Training Opportunities Ahead

for DIALOGUE Platform Members

Strengthening Dialogue, Innovation and Good Governance Across the Black Sea Basin Region

The DIALOGUE project continues its mission to strengthen cooperation, institutional capacity, and mutual trust among public authorities and civil society organizations across the Black Sea Basin region. Through a series of targeted trainings, the project supports stakeholders in building capacity to deliver better services.

The DIALOGUE capacity-building trainings are specifically designed to answer the needs of innovation stakeholders: business and business support organizations, academia and research institutions, public authorities and administrations, and civil society organizations.

What to expect?

International training on “Innovation management”

in Galati, Romania

The Innovation Management Training was held between 12-14 May. It brought together 20 representatives of public institutions, civil society organizations, and other stakeholders to explore practical approaches for fostering innovation and improving organizational capacity and cooperation.

The training notes of the course are now available in the **DIALOGUE Innovation Platform**.

Local trainings on Use of Digital Tools and Communication Applications

A series of local trainings on the topic will be held in Bulgaria, Romania and Türkiye.

Local trainings on Project Management

A series of local trainings on the topic will be held in Bulgaria, Romania and Türkiye.

Through interactive exercises and real-case examples,

Through presentations, discussions, and hands-on exercises, participants will explore topics such as digital transformation, communication strategies, AI tools and automation, data protection, and basic analytics for measuring outreach and engagement.

participants will develop a better understanding of how to manage projects in a structured and goal-oriented way while enhancing collaboration and accountability within their teams.

Some calls for applications are already open. Do not miss the opportunity to participate!
